Who we are

Rick and Anne live at Geertjes Hoeve together with their children Rick is the farmer of the pair. He grew up on 't Geertje in Zoeterwoude (www.hetgeertje.nl). Since he was a little boy he helped his father on the farm.

Anne grew up in Enschede. The family was very involved in the outdoor life with attention to pure, natural foods. The family lived on a forestry in Enschede for a couple of years. During the school holidays you would find Anne working with goats at Brömmels campsite in Winterswijk.

Bringing people in contact with the life on a farm makes Rick and Anne very happy. They aim to show us where our food comes from and offer all this goodness in the farm shop and in the restaurant. To enjoy the leisure of the outdoor life with us and produce delicious artisanal products.

They achieve this with all the "Geertjes". Together with family, friends, volunteers, employees and other creative spirits.
